

HOMEDALE ROD AND GUN CLUB

MINUTES FOR FEBRUARY 1, 2024

DALE TUSTISON OPENED THE MEETING AT 7:30 PM AT THE JADE GARDEN RESTAURANT

Pledge of Allegiance was said by all.

Meeting Minutes: Susan read the minutes. They were moved, seconded and approved.

Financials: Bill read the Financials. Expenses are for our insurance and computer for monitoring the gate. Anyone who wishes to see a copy of the Financials, call Bill and he will email them to you. Financials were moved, seconded and approved.

OLD BUSINESS:

We need to fence approximately 12.5 acres which we have not used. By doing so, the State won't be as inclined to take the property. We will need volunteers once the weather gets better.

New parts for trap machine. Dale took the hand trap that was on a post and rebuilt the machine. It is working well now. This machine is good for people that do not want to use the larger machine. He has another hand trap that needs to be put together. This is good for people that don't have a lot of expertise.

Gate issues: Tumbleweeds get in front of the electrical eye. We need to put a drift fence to stop the weeds about 10 feet from the eye.

We have an emergency generator for the gate which guarantees that the card reader will work uninterrupted. It needs to be replaced every 6 months. Larry Peplow worked on this.

Extra News

We need new targets. Clint stated that he knows a shop in Boise. He will check it out.

The shed has been cleaned out, the lean-to has the new tractor in it.

The 500 yard range needs walls to protect from the wind. It will need to be built in such a way as to protect from percussion.

Work party is usually done in April.

Range Committee: Steve said that a drone will be out next week. The whole range will be mapped. He will do blueprints.

ANNOUNCEMENTS

Terry mentioned gun show at the Idaho Center in Nampa.

New Members: New members were moved, seconded, and accepted to the Club. New Members need to go through orientation with Phil.
