

HOMEDALE ROD AND GUN CLUB

MINUTES FOR FEBRUARY 2, 2023

DALE TUSTISON OPENED THE MEETING AT 7:30 PM AT THE JADE GARDEN RESTAURANT

Pledge of Allegiance was said by all.

Meeting Minutes: Susan read the minutes. Minutes were moved, seconded and approved.

Financials: Bill read the Financials. Financials were accepted as read. Moved, seconded and approved.

NEW BUSINESS

80 yards of gravel has been spread. Would like to spread more to cover the road. Dale asked if the club would approve getting a qualified person, contractor to do our roads. Motioned, seconded and approved.

Silhouette targets have been shot to pieces. It appears that a .55 caliber has been shooting at it. A sheet of metal to make new ones is \$390.00. Abusing targets needs to stop. Shot gun shells cost more than joining the club. Either we discontinue making metal targets, or we increase the fee to join the club. Please help to maintain the range.

Dates:

A Work Party will be on April 15th.

The 50/50 Shoot will be on April 8th. Dale explained how the shoot works, and asked the club to show up for it.

There will be NO EGG SHOOT this year due to the cost of eggs. If anyone has a good idea to replace it, let us know. Dale suggested Battle Ship or Peeps.

RSO Class is being held by Terry on Saturday, February 11th. Four seats are available. Due to the cold, the class will be held at Terry's house.

The Nampa Gun Show is this weekend. It will be held at the Horse Pavilion.

The Homedale Gun Show is on February 18th and 19th

To volunteer, give your email address and phone number for contact information.

Miscellaneous

Please utilize the shot gun range. Bring your own birds. It was brought up that the thrower gets changed by people that don't really know how to use it. It then throws improperly (not far enough). It was asked if a class could be given to learn how to use the equipment. A member requested that the bird shoot get posted on the web site.

Dale gave the history of how the club started. Originally there were only 19 members.

Range Problems:

People are not removing their targets. Please remove targets when you are done and clean up any mess you may leave behind. Our neighbors can complain about us and have us shut down.

Steve added, for your own safety **STOP AND TURN ON LIGHTS** when setting up your targets.

New Members: Ten new members. They were moved, seconded, and accepted to the Club. New Members need to go through orientation with Phil.

Raffle drawing was won.

Meeting was adjourned at 8:35 pm.
