

# HOMEDALE ROD AND GUN CLUB

## MINUTES FOR JULY 6, 2023

### **RANDY KNIGGE OPENED THE MEETING AT 7:30 PM AT THE JADE GARDEN RESTAURANT**

Pledge of Allegiance was said by all.

**Meeting Minutes:** Susan read the minutes. Minutes were moved, seconded and approved.

**Financials:** Bill read the Financials. They were accepted as read. Moved, seconded and approved.

### **OLD BUSINESS**

The Club needs to update the By-Laws. Currently they are out of date. Randy has asked the Club to go onto the website and review the them. Give the Board any suggestions you have for changes. Susan will post on the main page of the website where the By-Laws are located.

A member stated the Club should vote on the By-Laws. Agreed that they must be accepted by the Club.

Question, should the Club let expelled members come back into the Club? Or should they come back only as guests. Discussion followed.

### **NEW BUSINESS**

Idaho Materials and Construction will be doing work on US-95, from the Oregon State Line to Sommercamp Road. We have agreed to allow them to use our Range as a dump site for their excavated material. They will assist in spreading the material where it is needed on the Range as well as placement of a berm adjacent to the tree line. They will maintain the roads in and out of the Range. They will also have a person at the gate for spotting loads and coordinating access. The project starts this month.

We will try to keep the Range open, however when they are there all shooting must stop.

The land between the highway and the gate belongs to BLM. The State could buy it. We don't want that to happen.

### **Miscellaneous:**

A member asked when the next Active Shoot is. It was our understanding that it would only be a few times, so need to find out when the next one will be.

**New Members:** New members were moved, seconded, and accepted to the Club. New Members need to go through orientation with Phil. Bring eye and ear protection.

**Extra News:** The 50/50 Bench Rimfire Shoot will be held on Saturday the 8th. Trap Shoot will be on July 15<sup>th</sup>. Cost is \$15 a person due to cost of the clays. Any questions call Darrell.

Meeting was adjourned at 8:05 pm.
